VISION

At Bellaire Primary School we 'aim high' to provide a secure, collaborative and challenging environment that supports all students in maximizing their achievements by being active participants in driving their learning in preparation for life long success as proactive, global citizens.

MISSION

We are trying to ensure that Bellaire Primary School students leave prepared to be active global citizens. People who not only have an excellent academic start in life but also look beyond who they are and their influence on others and the environment around them.

In the world we live in today we feel that students need to be resilient, responsible, respectful, compassionate, accepting and live with integrity. We want them to realise that every action has a consequence, both positive or negative and that their actions and decisions impact the lives of others and the community.

We are prioritising the education of the whole child - social, emotional and academic - with a focus to begin with collaboration.

VALUES

At our school we value:

- **Respect:** At Bellaire we value looking after each other in a way that makes a positive difference to self and others
- **Confidence:** At Bellaire we value confident individuals that believe that themselves and others can learn and achieve success.

- **Acceptance:** At Bellaire we value welcoming and embracing the difference of individuals ensuring a safe and secure place.
- **Compassion:** At Bellaire we value compassionate individuals who show empathy and care for others and the world around them.
- **Integrity:** At Bellaire we value showing integrity by owning behaviours and acting with honesty.
- **Resilience:** At Bellaire we value bouncing back when things get tough and persisting to achieve success.
- **Responsibility:** At Bellaire we value initiative in taking action to make a positive difference to self and others.

These values are displayed throughout the whole school by our 'Behaviours We Value' trees. The trees are used to guide feedback for students, inclusive of student behaviour awards for modelling the behaviours we value.
