

Year 6 Remote Learning Rubric

| Reading | Writing | Maths |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p style="text-align: center;">Book Cover</p> <p>Today you are selecting one of your favourite books you have read and redesign the cover. You may wish to look at your book cover online and create drafts of a new version.</p> <p>You will also need to create a blurb to go with your front cover.</p> | <p style="text-align: center;">Loop Poetry</p> <p>You are learning to write loop poetry.</p> <p>You will need to write at least three poems.</p> <p>We would suggest creating a list of possible topics to choose from before you begin writing.</p> <p>Examples and explanation</p> | <p>Complete 5 of each of the following types of vertical multiplication equations. 2 digit by 1 digit. 2 digit by 2 digit. 3 digit by 3 digit with a decimal ie – $22.3 \times 25.31 =$</p> |
| <p style="text-align: center;">Publishing</p> <p>Today you will select one of your drafts and publish your front cover and blurb of your Literacy Books</p> | <p>You are going to publish your loop poem.</p> <p>Be creative with your publishing. Eg. Be creative with the font you use, title, background and pictures you add. Do the pictures and background support the text?</p> | <p>You can explore with Mathletics Live and other features.</p> |
